MINISTER'S MOMENT

I am planning another MOVIE NIGHT for Sunday, June 29th at 5:00 p.m. in the Fellowship Hall. The film, *Tender Mercies*, stars Robert Duvall as a washed-up country music performer and songwriter. Released in 1983, it explores themes of love, grace, redemption, and the role of faith can play in our lives as we face tragedy and loss. All of this is dealt with in an understated fashion that is never heavy-handed or “preachy.” *Tender Mercies* was nominated for five Oscars and won for best original screen play and best actor (Duvall).

Unlike most of the movies we have watched together in the past, this film will most likely not appeal to very young kids. Older youth and adults are more apt to appreciate the way it approaches its themes. Also, the film moves at a slow, thoughtful pace which may be boring for youngsters. At the same time, this movie has very little bad language and no real violence or sexual situations. It is simply a thoughtful story that will make us all reconsider where we are in our own lives. Following the movie, there will be a short time for comments and discussion. As always, we encourage folks to bring some finger foods and snacks to share! ~Russell
